Dancing with Pride
And Not Préjudice
ONE DAY WHILE WALKING
LIZZIE THOUGHT TO
HERSELF...

My what a
wonderful book

Oh...pardon
me...

It's ok
little mama,
you didn't hurt
nothin'

Oh...pardon
me...

Oh. Well I'm
glad.

I'm just
driftin'. You
know, passin'
through. Why?

Um...if
you don't mind
my asking...what
are you doing
here?

She stands to walk away
Home. It's getting dark.

No Wait!

Dance with me.

Yes....
Come here...

No that is absolutely ridiculous. And get off of that log!

Excuse me??

Come here...

Johnny takes off his shirt and jumps on a log

Oh come on! What, you got some boyfriend stoppin' you?

It's fun. Dancing is all about balance.... You can't come up here with that big ol' dress on!

Ah Ha!
Come on, it's fun!

Lizzie takes off her dress revealing her slip and stockings and eases her way on to the log....

GET DOWN!

Don't fall!

I bet that Darcy guy has never done anything like this with you.

Ah Ha!

Excuse me Mister... whatever your name is, i never told you about my mister Darcy.
See I told you it wasn't that bad.

And the names Johnny, and no you didn't tell me but I met a Mr. Collins yesterday and he told me I should find you.

Mr. Collins! How dare he. So because I refuse him he feels the need to find me a new suitor??

So you ran into me on purpose?

You just don't know what it's like to have everyone want you to be and act a certain way and to not be able to be with the one you love.

No I didn't, but I am happy that I did.
Oh, I don't? I just lost my job because my bosses found it improper for me to love someone of a higher class.

Oh. Well I know all about the higher class. They always want you to stay in your station.

Oh I don't? I just lost my job because my bosses found it improper for me to love someone of a higher class.

What are you doing?!

Yeah, they do.

Johnny leads Lizzie to a lake and takes off his shirt.

Why do you trust me?

Well look at that Miss Lizzie. We have something in common.

Why yes we do.

I wanna show you something. I want to show you what dancing means to me.
That was incredible! Good, I'm glad....Let's get out of here. We can get away from the rules, the restrictions, the heartache, the prejudice. We can dance our troubles away.

I couldn't leave my family, not without being married. Marriage is so important to my mother.

You could always marry me...

I barely know you...You would have to ask my father first anyways.

Then let's go see him!

How can he say no to all of this?

Will Lizzie and Johnny get married?
WILL Lizzie's father say yes?
