Hoesley Digital Literacy Fellows – Deadline March 16
Cohort of 15 students, current sophomores and juniors

Explore digital literacy skills in a supportive, collaborative environment.

Build a professional website

http://commons.library.upenn.edu/hoesley-digital-literacy-program

Senior Research Spotlight – April 30
Two-minute presentations by twenty seniors about their research as related to new media

http://commons.library.upenn.edu/senior-research-spotlight
Ready, Set, Succeed!

Unpack your last exam - March 1
Prep for your next exam - March 29
Both workshops are on Sundays, 1-3 pm

Open to all undergrads in math, science or engineering courses.

We will model four apps for exam prep:

Evernote, Coggle IT, Notability and Simple Mind

Presented by the Tutoring Center, Weigle Information Commons and Weingarten Learning Resources Center (VPUL).

Get additional information and register at http://commons.library.upenn.edu
